Hebrews 4:14-16

## **VERSE 1:**

I am covered by the blood of Jesus Christ  
All my sin and shame forever crucified  
Risen from the grave, from darkness into light  
With confidence I stand, forever justified

## **CHORUS:**

There is freedom in the name of Jesus Christ  
In Your presence my soul is satisfied

## **VERSE 2:**

No greater love than this, the Savior died for me  
I am now an heir, a child of the king  
Risen from the dust, into eternity  
With confidence I stand, with confidence I sing

## **CHORUS:**

There is freedom in the name of Jesus Christ  
In Your presence my soul is satisfied

## **BRIDGE:**

I'm drowning in Your mercy  
Deeper than the sea  
I'm buried in forgiveness  
Like a landslide over me  
Now I sing forever  
A song of victory  
I'm rising up in freedom  
As you're resurrecting me

*(Repeat Bride)*

## **CHORUS:**

There is freedom in the name of Jesus Christ  
In Your presence my soul is satisfied  
There is freedom in the name of Jesus Christ  
In Your presence my soul is satisfied
