

MIRACLE MAKER

Erik Nieder, Bryan Fowler
CCLI Song #7133312

VERSE 1

Who turns the darkness into light
Who speaks and galaxies ignite
Who's breath conceives the gift of life
There is one, only one

VERSE 2

Who heals the weak, the lame, the blind
And frees the captive from the lies
Who calls the dead to come alive
There is one, only one

CHORUS

My God is a miracle maker
My King is a liberator
He is faithful, He is able, He's conquered every grave
My God is a miracle maker

VERSE 3

Who came to seek and save the lost
Who paid it all upon the cross
Who opened Heaven's gates for us
There is one, only one

CHORUS

BRIDGE

There's no valley your love won't lead me through
There's no mountain, no mountain you can't move
There's no evil that can rob me of the truth
My hope is found in you, all my hope is found in you

There's no valley your love won't lead me through
There's no mountain, no mountain you can't move
There's no evil that can rob me of the truth
My hope is found in you, all my hope is found in you
My hope is found in you, God hope is found in you

CHORUS

OUTRO BRIDGE

There's no valley your love won't lead me through

There's no mountain, no mountain you can't move

There's no evil that can rob me of the truth

My hope is found in you, all my hope is found in you

My hope is found in you, God hope is found in you
