## **VERSE 1**

From the beginning of time  
To the end of every day  
Your promises stand  
Your truth will never change

## **PRE-CHORUS**

In famine of feast, in plenty or need  
When I am weak you are strong  
The water may rise, the river run dry  
But stirring inside a song

## **CHORUS**

Can we just say thank you  
Can we just say thank you Lord  
For you are God and you are good  
For you are God and you are good

Can we just say thank you  
Can we just say thank you Lord  
For you are God and you are good  
For you are God and you are good

## **VERSE 2**

In every season I face  
Your faithfulness remains  
For you are my peace  
And your heart will never change

## **PRE-CHORUS**

In famine of feast, in plenty or need  
When I am weak you are strong  
The water may rise, the river run dry  
But stirring inside a song

**CHORUS**

Can we just say thank you  
Can we just say thank you Lord  
For you are God and you are good  
For you are God and you are good

Can we just say thank you  
Can we just say thank you Lord  
For you are God and you are good  
For you are God and you are good

**BRIDGE**

In famine of feast, in plenty or need  
When I am weak you are strong  
The water may rise, the river run dry  
But stirring inside a song

**BRIDGE**

In famine of feast, in plenty or need  
When I am weak you are strong  
The water may rise, the river run dry

So can we just say thank you  
Can we just say thank you Lord  
For you are God and you are good  
For you are God and you are good
